My remarks are given in the margin. I agree with Secy's note on all the points. I wish to make it clear, however, that so far as administrative control is concerned, all his letters to government may be ordered to pass through the D.F.S and his work conducted in close collaboration & consultation with the D.F.S who should have a major voice in deciding matters connected with the work in the same measure in which he is ultimately responsible to Govt for it.

".R.* of which one first class fare is spent for purchase of ticket and the other 3/4th is left to him. If Mr. R.N. Mirza is allowed to utilise the free pass of the Railway Department, he could therefore get only 3/4th of the first class fare. It is not intended, I think, that he should get 1 3/4th first class even without paying the fare. Para 2 may therefore be made clear that if he uses a free pass, he will get only the additional 3/4th first class fare within the State and 1/2 first class fare outside the State and if he does not use the free pass, and if he certifies that he has not used the free pass, he will get 1 3/4th for journeys within the State and 1½ times the first class for journeys outside the State.

To

The Secretary to Government
Development Department
Government of Mysore, Bangalore.

Sir,

I have the honour to inform you that the Government of Mysore have been pleased to offer me a post in the Food Supply Department in the capacity of Head of a Department. I am now addressing you to submit the terms for formal approval of Government.

(1) That I may be appointed for a period of four months in the capacity of Head of a Department with permission to utilise ten days casual leave with permission to combine them with the usual holidays and Sundays. I am mentioning this matter regarding short leave because one never knows when the urgency of short leave may arise.

(2) Designation. If my duties were confined merely to work within the State of Mysore, I would not concern myself much about the designation, but as I may have to call on officers of very high status in important cities of India, the matter of selecting a good designation deserves consideration. I suggest two alternatives:

Advisor to Government (Transport and Railways).

Additional Director (Transport) Food Supply Department.

(3) My headquarters to be Bangalore.

(4) Emoluments. The maximum salary paid to the Head of a Department may be kindly given to me, which I believe is Rs 1400/- I have had no time to study the rules for the re-employment of retired officers, but I understand that I should expect Rs nine hundred 900/- per month apart from my monthly pension of Rs 500/- (so graciously granted to me by the Government of Mysore in their Order dated 19th July 1945), with an additional allowance of Rs 100/- per month which may perhaps be called "Special", "Entertainment", or "Sumptuary" allowance. I submit that this is very necessary.

(5) For travelling by Railway, I may be paid (1½) one and a half times 1st Class fare. While travelling by car, annas 8 a mile, or whatever is usually paid to the Heads of Departments drawing Rs 1400/- Regarding daily allowance, I may be paid Rs 7/8 per day in Mysore State, and Rs 15/-

and Rs 15/- per day for other parts of India, with one proviso, that in case I am faced with an exceptionally heavy expenditure due to the present exhorbitant charges made by Hotels in Delhi, Bombay and other places, I may be permitted to place my case for the kind consideration of Government, to reimburse me.

(6) TELEPHONE. In the interest of service, I request the immediate installation of a telephone in my house, because it will be of tremendous help and value in the discharge of my duties. I have already mentioned this to you, and requested you to favour me by addressing the Residency in the matter.

(7) Staff (Clerical). One steno typist equipped with a portable typewriter. Three clerks. Recruitment Board rules may be waived, otherwise great delays will occur in appointing fresh and efficient men.

(8) Staff (menial). One Daffedar and three peons or orderlies, equipped with one cycle. I submit that this is a most necessary part of the equipment. It is very essential that this be kindly granted.

(9) If by some chance, unforseen circumstances arise which justify the termination of my services, it may be by one month's notice on either side.

May I state that the above terms have already been discussed and so I shall feel much obliged if you will kindly submit my application to Government, and obtain early orders.

In conclusion, I wish to express my sense of gratitude to the Government of Mysore for the trust they have been pleased to place in me. I may not always be successful in gaining the desired end, but there will always be this, that I shall strive my best to justify the trust.

I have the honour to be,

Sir,

Your most obediant servant,

R. N. Mirza

22, Grant Road,

Bangalore.

10th December, 1945.

To

E.C. Moronha Esq.,

Secretary to Government

Development Department,

Bangalore.

Dear Mr.Moronha,

As per instructions given to me in the meeting which we attended at the Secretariat on Saturday evening, I am reporting for duty to-day forenoon the 10th of December Monday. This is in anticipation of formal orders of Government. I also hand to you herewith my application which may be kindly submitted to Government as early as possible. Practically all terms mentioned in my letter have been discussed and approved of, and so I am taking action in appointing the staff as I may be called upon to proceed to Secunderabad very soon, and I would like to go well prepared and equipped.

The weapon I most need at my disposal is a telephone in my house, and so I trust that as requested by me on the 8th, you will favour me by asking the Residency to issue instructions to fix up an instrument in my house as early as possible. I think every morning and evening my job will be to contact with the Railway offices in Bangalore and Mysore about the arrival and despatch of wagons.

Thanking you,

Yours sincerely,

R.N.Mirza
